

Fly in directions: Anyone flying in, **be especially careful**, because the Gaggle Groups go out on Saturday for breakfast and that could be 50 or so airplanes. They leave about 8:30 and return about 10-10:30. So landing here before 10 am would be good. Tie downs for visiting aircraft are behind the blue lines on the ground. Anyone can obtain this information from our web site: www.fly-in.com/.

Driving Instructions: I-95 to exit 256 and go west on Taylor Road 2.3 miles to a large sign that reads "Spruce Creek A Fly-In Community". Security will ask for your driver's license, ask security for a map or directions to the Spruce Creek Fly-In Realty Office. We will be meeting in the conference room of the Realty office.
