January 9 meeting

This morning, January 9, I woke up to cold temperatures for Florida along with a good wind (felt like 46). That left in question how our 99s holiday get together outside was going to work. Lady pilots don't let things slow them down, so we followed the sun, bundled up, and had a fun time eating, meeting, and getting to know new members. (Written by Sandy Parks)

Member' special news:

Sharon Crotty retired from Orlando airport authority, Jan 16

Donna Wilt will retire at the end of the current session at Florida Institute of Technology.

Diana Agulia was hired back at her pre COVID job and is now able to resume light lessons.

Ellie Hoffman was so-o-o bored that she got a tattoo. Picture on the next page:
